

HD Marine 1200-15W40

Description	<p>This multigrade marine oil for diesel engines for marine applications, is based on top-grade solvent-refined base oils and multifunctional additives to obtain the following properties:</p> <ul style="list-style-type: none"> - a strong oxidation stability - a high and stable viscosity index - a high detergency and dispersion power - a good alkalinity, to neutralise the acid compounds which are produced during the combustion of a distillate diesel fuel - effective in preventing from wear, corrosion and foam - a low pour point - good water separation power 	
Application	<p>This multigrade marine oil is suitable as lubrication oil of high- and medium speed marine diesel engines with or without turbo-charging and the use of distillate diesel fuel. Due to its load-carrying properties this oil also can be used in shipboard gearboxes.</p>	
Specifications	<p>Performance level API CF MIL-L-2104C</p>	
Typicals	Density at 15 °C, kg/l	0,885
	Viscosity -20 °C, mPa.s	6200
	Viscosity 40 °C, mm ² /s	109,40
	Viscosity 100 °C, mm ² /s	14,30
	Viscosity Index	133
	Flash Point COC, °C	226
	Pour Point, °C	-33
	Total Base Number, mgKOH/g	12,2
	Sulphate Ash, %	1,67
