

## HD Captain Marine 3030

<b>Description</b>	<p>This marine oil for diesel engines for marine applications, is based on top-grade solvent-refined base oils and multifunctional additives to obtain the following properties:</p> <ul style="list-style-type: none"> <li>- a strong resistance against oxidation</li> <li>- a good and stable viscosity index</li> <li>- a high detergency and dispersion power</li> <li>- a good alkalinity, to neutralise the acid compounds which are produced during the combustion of a distillate diesel fuel</li> <li>- effective in preventing from wear, corrosion and foam</li> <li>- a low pourpoint</li> <li>- good waterseparation power</li> </ul>	
<b>Application</b>	<p>This marine oil is suitable as lubricating oil for more heavy marine diesel engines with or without turbo-charging and the use of distillate diesel fuel where the sulphur content is above 1,8%.</p>	
<b>Specifications</b>	<p>Performance level API CF MIL-L-2104C</p>	
<b>Typicals</b>	Density at 15 °C, kg/l	0,902
	Viscosity 40 °C, mm <sup>2</sup> /s	92,40
	Viscosity 100 °C, mm <sup>2</sup> /s	11,00
	Viscosity Index	104
	Flash Point COC, °C	246
	Pour Point, °C	-24
	Total Base Number, mgKOH/g	30,0
	Sulphate Ash, %	4,07
	SAE	30
