

HD Captain Marine 4040

Description	<p>This marine oil for diesel engines for marine applications, is based on top-grade solvent-refined base oils and multifunctional additives to obtain the following properties:</p> <ul style="list-style-type: none"> - a strong resistance against oxidation - a good and stable viscosity index - a high detergency and dispersion power - a good alkalinity, to neutralise the acid compounds which are produced during the combustion of a distillate diesel fuel - effective in preventing from wear, corrosion and foam - a low pourpoint - good water separation power 	
Application	<p>This marine oil is suitable as lubricating oil for more heavy marine diesel engines with or without turbo-charging and the use of distillate diesel fuel where the sulphur content is higher.</p>	
Specifications	<p>Performance level API CF</p>	
Typicals	Density at 15 °C, kg/l	0,913
	Viscosity 40 °C, mm ² /s	142,90
	Viscosity 100 °C, mm ² /s	14,50
	Viscosity Index	100
	Flash Point COC, °C	252
	Pour Point, °C	-21
	Total Base Number, mgKOH/g	40,1
	Sulphate Ash, %	5,42
	SAE	40
