

01GT SYNTH IQ FORMULA 10W40

Description	LB Multisynth is a product of the LB (Level Back-up) product range. These products are based on the officially approved formulas, using the same high-quality additives, but the base oils have been replaced with equivalent alternatives. This creates equivalent products in terms of quality, with a performance level corresponding to the originally approved products. However, because no field tests have been conducted, the product may be claimed only to meet the mentioned performance levels.	
Application	This all-round motor oil is recommended for use in petrol- and diesel engines, with or without turbo-charging, in passenger cars and delivery vans.	
Performance Level	Performance level ACEA A3/B4 API SL/CF MB 229.1 VW 501.01/505.00	
Typicals	Density at 15 °C, kg/l	0,865
	Viscosity -25 °C, mPa.s	6700
	Viscosity 40 °C, mm ² /s	101,00
	Viscosity 100 °C, mm ² /s	14,70
