| Description | <p>A fuel economy motor oil, developed according the most recent technology, based on high quality solvent refined mineral and synthetic base oils and a well balanced choice of advanced additives to obtain the following properties:</p> <ul style="list-style-type: none"> - a lower fuel consumption - reduced formation of combustion residues (mid SAPS content) - suitable for modern catalysts - a fast cold start - a safe lubrication film at high temperatures - extended oil drain intervals - a very good detergency and dispersion - a very strong protection against wear, corrosion and foaming | |
| Application | <p>This fuel economy motor oil can be used in petrol and diesel engines, with or without turbo-charging, in passenger cars and delivery vans where extended oil drain intervals are possible. This oil meets the requirements of the VW 504.00/507.00 standard, in practice also called VW Longlife III.</p> | |
| Performance Level | <p>Performance level VW 504.00/507.00</p> | |
