

01GT SYNTH IQ FORMULA 0W30

Description	<p>This sophisticated full-synthetic fuel economy universal motor oil is produced with high quality synthetic base oils with a high viscosity index and a well-balanced choice of advanced additives to obtain the following properties:</p> <ul style="list-style-type: none"> - a lower fuel consumption - a high and very stable viscosity index - a high resistance against shearing - a fast cold start - a safe lubrication film at very high temperatures - a very good detergency and dispersion - a very strong protection against wear, corrosion and foaming 	
Application	<p>This universal fuel economy synthetic motor oil is recommended for use in petrol- and diesel engines, with or without turbo-charging, in passenger cars and delivery vans with the specifications as stated below.</p>
