

01RS RACING FULLY SYNTH 10W30

Description	<p>A fully synthetic engine oil based on carefully selected high quality synthetic base oils, all of which already have a natural, high viscosity index and which advanced and well balanced additives in order to obtain the following properties:</p> <ul style="list-style-type: none"> - a very low tendency to evaporation - a high and very stable viscosity index - a good resistance against shearing - a high resistance against aging - a safe lubrication film at low and very high temperatures - a very good detergency and dispersion power - a very strong protection against wear, corrosion and foaming 	
Application	<p>A fully synthetic engine oil, designed for cars for race conditions where the highest performance is required. This oil has proven its quality under the most extreme conditions particularly in races.</p>	
Performance Level	<p>Performance level ACEA A3/B4 API SH/CF API SN/CF *) *) API SN quality only; not-licensable due to phosphorus-limit</p>
