

ATF 15 LVB

Description	<p>A very high graded, very low viscosity automatic transmission fluid based on special selected synthetic base oils, with a high viscosity index and a number of selected additives to obtain the following properties:</p> <ul style="list-style-type: none"> - important contribution fuel economy - excellent lubrication - very good resistance against oxidation and a very high thermal stability - excellent and very stable friction characteristics that enable longer oil-replacement intervals - excellent resistance against foaming - excellent protection against wear - a very high and stable viscosity index - dark blue coloured 	
Application	<p>This premium synthetic product is specially formulated for the lubrication of the latest generation of automatic 7G-Tronic Plus transmissions from Mercedes-Benz for which an oil with the specification MB 236.15 is required. This oil contributes considerably to the realization of fuel saving.</p>	
Specifications	<p>Performance level MB 236.15</p>	
Typicals	Density at 15 °C, kg/l	0,835
	Viscosity 40 °C, mm ² /s	18,80
	Viscosity 100 °C, mm ² /s	4,40
	Viscosity Index	150
	Flash Point COC, °C	188
	Pour Point, °C	-57
